### II. News from EMOdiR

Early Modern Religious Dissent and Radicalism Series, published with Routledge, is considering contributions from scholars (affiliation with EMOdiR is not necessary) working on questions of dissent, radicalism, dissidence, libertinism, heresy, heterodoxy, and, more broadly, the complex socio-cultural constructions around early modern religious experiences. If you have a book proposal on such themes and you wish to publish it with EMOdiR Routledge Series, send it to the Series Editors: Federico Barbierato, Hannah Marcus, Xenia von Tippelskirch, Stefano Villani.
